VOLUNTARY ANNOUNCEMENT
UPDATE OF THE STATUS OF PUBLIC FLOAT

This announcement is made by PacRay International Holdings Limited (formerly known as PacMOS Technologies Holdings Limited) (the “**Company**”) on voluntary basis to update shareholders of the Company (the “**Shareholders**”) relating to the public float issue.

Reference is made to the Company’s announcements dated 19 May 2015, 20 May 2015, 9 July 2015, 24 July 2015, 27 August 2015, 7 October 2015, 3 November 2015, 3 December 2015 and 11 January 2016 regarding the status of the Company’s public float and trading halt (the “**Announcements**”). Unless otherwise defined herein, all capitalised terms used herein shall have the same meanings as adopted in the Announcements.

As at the date hereof, the Company awaits further response from Texan and/or PEWC to fulfill all other Conditions.

The Board wishes to state that if Texan succeeds in obtaining the new share certificates for the Subject Shares, the Subject Shares would not qualify as “public float” under the Listing Rules and thus less than 25% of the issued share capital of the Company would be held in public hands.

In preparation for the event that Texan succeeds in its Application for new share certificates, the Board is in discussion with its professional advisers to identify the course of actions to allow the Company to meet the minimum public float requirement under the Listing Rules and the resume trading of the shares of the Company. At the same time, the Board will continue to issue further regular update announcement as and when justified and appropriate under the Listing Rules.

* For identification purposes only

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.

By order of the Board of
